RESPONSE TO OFFICE ACTIONCommissioner for Patents  
Alexandria, VA

Dear Sir:

This responds the Office Action dated June 14, 2007.

(a) All pending claims (1-24) have been rejected under 35 U.S.C. §102 as being anticipated by Chan et al., USPN 6,384,599.

(b) All pending claims (1-24) have been rejected under 35 U.S.C. §112, second paragraph for being indefinite.

Anticipation Rejections

The rejection alleges that all claims are taught by Chan et al., "summary of the invention, column 3, lines 12-65, column 4, lines 1-48, column 5 bottom and column 6, lines 1-45", which is the sole substantive comment in the entire Office Action.
